2. All membership fees are nonrefundable. Refunds may only be made under extreme circumstances and must be approved by the board of directors.
3. Certified league averages submitted with membership application must be verified by your local association secretary unless it appears in your association handbook (a copy of page with average should accompany the application).
4. New members will stay in his/her class based on the composite of their certified averages submitted with their application for their first tournament. All members will be re-evaluated at the discretion of the board of directors after the end of the current season either upward, downward, or remaining the same. All appeals must be made in writing to the board of directors before their first tournament.
5. New members will be subject to upwards reclassification after their first tournament. Existing members will be subject to upwards reclassification after their first two tournaments. **After meeting the preceding requirement, any member whose season adjusted average (true bowling average plus 1 pin for each \$300 won (money pins)) equals or exceeds the midpoint of the next higher class will be rerated to that higher class. If their season adjusted average exceeds the midpoint of the next two (2) higher classes, they may be re-rated 2 classes, subject to a meeting by the board of directors. Class midpoints are defined as follows: A-222, B-215, C-208, D-199, E-191, F-181, G-171**
 - a. The above ruling on re-rating does not apply if you have not qualified for the semifinals or **cached in the semi-finals** in any tournament, **since your last re-rate** during the current season.
 - b. If you have bowled three (3) tournaments, **since your last re-rate during the current season**, have not qualified for the semi-finals, and your **season** adjusted average is **below the midpoint of the next lower class**, you **will be re-rated down one class**. (Exception: if your only cash is in the Doubles tournament you may still be re-rated down.)
6. The secretary and/or president will review all membership applications. If time permits, the secretary/treasurer will inform the applicant in which class they have been placed or if they have been denied.
7. The board of directors will consist of President, Vice President, Secretary/Treasurer and Tournament Manager, and a minimum of four (4) directors.
8. The officers shall consist of President, Vice President, and Secretary/Treasurer and Tournament Manager and shall be elected by the board of directors.
9. There will be eleven (11) tournaments each season. The first tournament will be held in September, 2010, with the championship tournament held in May, 2011. The doubles tournament, which will be held in November, 2010, will have its own format, rules, and regulations. The Masters tournament, which will be held in January, 2011, will have its own format, rules, and regulations.
10. To be eligible for the championship tournament at the end of the season, a member must pay for 4 tournaments and bowl in at least 2. Scores and score sheets are considered FINAL when the sheet is turned in to the tournament office. After the score sheet has been turned into the office, bowlers may NOT make any changes to their sheets. Any recap sheet that is turned in to the tournament office incomplete will receive zero pins for each missing game. Failure to sign your recap sheet once it has been turned in to the tournament office will result in the member being fined \$5.

If the submitted average is lower than required and results in a lower classification or more handicap, the bowler's score is disqualified. If the submitted average is higher than required, prize winnings will be based on the submitted average."

34. All side pots including brackets must be approved by the board of directors.

III. Michiana Bowlers Association Tournament Format

1. The Michiana Bowlers Association will be divided into seven (7) classes:
 - A Class - 219 averages and above (200 Zero Point)
 - B Class - 213 - 218 averages (195 Zero Point)
 - C Class - 204 - 212 averages (190 Zero Point)
 - D Class - 195 - 203 averages (185 Zero Point)
 - E Class - 186 - 194 averages (175 Zero Point)
 - F Class - 176 - 185 averages (170 Zero Point)
 - G Class - 175 and lower averages (165 Zero Point)
2. A plus/minus scoring system will be used to determine a bowler's position.
3. With the exception of the championship tournament, bowlers will qualify with one 4-game block. (The qualifying round of the championship tournament will consist of two 4-game blocks.) If less **than 5 bowlers** are entered in their division, they will compete with the bowlers in the next higher division, while still using their own class for zero point. (Reference Rule #15 in Association By-Laws.)
4. At the completion of the qualifying rounds, the top **one third** of each class (rounded) will qualify for the semi-finals. In case of a tie for the bottom spot in any division, a 1 game roll-off will be held to break the tie. In the Championship tournament ties must be broken the day of qualifying. Class zero point will be used to determine the winner.
5. In the semi-finals, all bowlers will bowl one 4-game block (6 games in the championship) and begin from scratch. Bowlers competing in the semi-finals are now competing against the entire field. Again, the plus-minus scoring system is used. A break will be taken after the third (and fifth games in the championship) to announce position standings. At the completion of the semi-finals, the final scores will be computed and the top 12 (see III.7 below) bowlers will advance to the finals.
6. In case of ties for the finals where a tie breaker has an effect on a bowler making the finals or the number of games he must bowl, a 1 game roll-off must be bowled prior to the finals to determine qualifying positions. The class zero point will be used for scoring in all roll-off games. Should any ties still exist after the roll-off, a 9th and 10th frame roll-off (without handicap) will be used to determine the winner.

For ties that do not affect the number of games bowled the following system will be used to break the tie: the bowler with the higher plus/minus after the 2nd to last semi final game will get the higher seeded position. If there is still a tie then the plus/minus after the 3rd to last game will be used, and so on.

If the bowlers were tied for every semi-final plus/minus score, then bowler with the higher qualifying plus/minus will be given the higher seed.

Any remaining ties will be settled via a coin flip.

7. In the finals, bowlers will bowl in a modified seeded bracket. All finalists' average will be determined by the 8 or 14 game average bowled in that tournament. Bowlers with the lower average will receive a handicap of 70% of the average difference in that match. In case of tie a 9th and 10th frame roll-off will be used to determine the winner. No handicap will be used in case of an average tie.
 - Opening Round: Qualifiers 5-12 will participate. Qualifiers 1-4 will get a bye. Matches will be assigned as follows: 5-12, 6-11, 7-10, 8-9. Winners move on to the Round of 6.
If there were 23 or fewer cuts, only 8 bowlers will make the finals and the "Opening Round" will be removed.
 - Round of 6 Matches:
 - Match 1: #3 Seed vs winner of 8-9 match
 - Match 2: winner of 5-12 vs winner of 6-11
 - Match 3: #4 Seed vs winner of 7-10 matchWinners move on to the Quarterfinals

OR

Qualifier 1 & 2 will get a bye
Match 1: #4 Seed vs #7 Seed
Match 2: #5 Seed vs #6 Seed
Match 3: #3 Seed vs #8 Seed

- Quarterfinal Matches:
Match 4: Winner of Match 1 vs Winner of Match 3
Match 5: Winner of Match 2 vs #2 Seed
- Semi-final Match:
Match 6: Winner of Match 4 vs Winner of Match 5
- Final Match:
Match 6 winner vs #1 Seed

Once bowlers are seeded into the bracket no re-seeding will be done. "Upsets" will advance as in a standard bracket.

- Opening round matches will use lanes 1-2, 7-8, 15-16, 21-22
- Round of 6 Matches will use lanes 3-4, 9-10, 17-18
- Quarterfinal Matches will use lanes 5-6 and 19-20
- Semi-final matches will use lanes 11-12
- Final match will use 13-14
- These lane assignments may be adjusted by adding the same offset to each lane assignment or if the center requires an alteration
- No pair will be used for more than one match, unless the center requires us to use fewer than 11 pair. Higher seeded bowler gets choice of starting lane. All bowlers will get 2 practice balls before each match.

8. New members' averages from the current season (within 2 weeks of the date the application is submitted) and last two seasons must be submitted to the board of directors to determine which class the applicant will be placed. All applicants must have their certified league averages verified by their local association secretary unless it appears in the association yearbook (a copy of page showing the average must accompany the application) or is available on bowl.com. All applications must be received at least seven days before the tournament date. Applications may be mailed to:

Michiana Bowlers Association
PO Box 284
Granger, IN 46530

or given to an officer or board member

Any existing member who did not bowl at least three tournaments the preceding season must resubmit their certified league averages. **All new members** must pay the **\$35** membership fee with their application. Any bowler who was once a member will only be subject to the **renewal** fee of **\$25**. Existing members who refer a **new member, and who are listed as the referring member on the bowlers application**, will receive a \$10 credit toward their next entry.

9. New members from the junior bowling programs must submit previous season certified league averages for rating. New members with averages that cannot be verified in the USBC must begin not lower than the 180 class for their first tournament and are subject to re-rating after their first tournament by the board of directors. When previous years averages are used, and at the time of entry, the entrant must submit the current season certified league averages of 21 or more games. If the current season average is 10 or more pins above the previous years averages the entrant will be rated accordingly.

IV. Michiana Bowlers Association Blind Draw Doubles Rules and Regulations

1. All regular by-laws of the Michiana Bowlers Association will be in effect for this tournament
2. This tournament is open only to bowlers that bowled at least three (3) tournaments during the 2009 - 2010 season OR bowlers that have bowled at least one (1) tournament during the 2010 – 2011 season. No new bowlers that have not bowled their first tournament or a previous member that has to re-submit their averages will be allowed to bowl in this tournament. Tournament sponsors may be given an exemption to this rule.
3. Entry fee for this tournament will be \$65 per bowler. Entries can be mailed to **Michiana Bowlers Association, PO Box 284, Granger, IN 46530**, verbally to any board member, or by e-mailing to Bowl@mba300.com (directly or through the website). Prepayment of entry fee will reserve a spot, but will not guarantee the spot until the bowler checks in prior to the start of the qualifying squad. Walk-ins will be allowed should there be openings for that squad.
4. Blind draw will begin 30 minutes prior to the start of the shift. Bowlers will guarantee their spot by checking in prior to their scheduled draw time. Bowlers will draw for partners in the same order that they check in with all prepaid entries drawing before walk-ins. At draw time, should there be an odd number of bowlers on the first squad, the last bowler to check in will be given the opportunity to bowl on the second squad. Should there be an odd number of bowlers on the second squad, an officer will withdraw from the tournament making an even number.
5. Should a prepaid entrant arrive after the draw has begun or has been completed, they will be given the opportunity to bowl if the next squad is available. If there is no availability on the next squad, their entry fee will be refunded. Should the prepaid entrant be a no-show, their entry fee will be forfeited.
6. Bowlers will draw for partners in the order that they check in. All prepaid entrants will draw first (in the order they check in), with the walk-ins drawing last (in the order that they walk in). All bowlers agree that they will bowl with the partner that they draw. Should a bowler not want to bowl with the partner they have drawn, their entry fee will be forfeited, and will be given to their partner. The other bowler will have the opportunity to bowl on the next squad if they desire, or have their entry fee refunded.
7. Each team's zero-point will be the sum of their average classes. For example: A 200 -class and a 180 -class bowler will have a zero point of 380 each game. Each team will bowl a four game qualifying round. All class combinations will compete with each other (as in the masters), rather than with their own class. The top one third of all teams will advance to the semi-finals.
8. The semi-finals will be another four game block. All teams will start from scratch. There will be a short pause after the third game to announce the top scores. The top three teams will advance to the finals.
9. The step ladder finals will be conducted in the same manner as in the regular tournament. The qualifying teams will use the eight game average that they have established in the qualifying and semi-final rounds of competition. Handicap will be 70% of the difference of the averages.
10. The champion team only will qualify for the Masters Tournament if they have not previously done so.
11. This tournament will count towards the championship tournament.
12. Any other rule not outlined above or is not covered in the MBA by-laws will be up to the discretion of the board of directors.

In case of a tie for the last cash or for 7th and 8th spots, a one game roll-off will determine who cashes or makes match play respectively. The plus/minus system will be used in the roll-off. The modified bracket format will be used as in regular MBA events, see rule III.7. The "23 cut" rule will not apply.
