The following is an excerpt from the MBA's By-Laws:

A plus/minus scoring system will be used to determine a bowler's position.

Prize ratio is one (1) out of three (3) entrants.

Bowlers will qualify with one 6-game block (8 games for the championship tournament).

At the completion of the qualifying round, the top **one third** of the field will cash and the top 12 bowlers will advance to the single elimination match play bracket finals. In case of a tie for 1st, 2nd, 4th, or 12th place at the end of qualifying, a 1 game roll-off will be held to break the tie. Class zero point will be used to determine the winner. Should the field consist of less than 35 bowlers, then only the top one-third (rounded) of the entire field will advance to the match play bracket finals.

For the single elimination match-play bracket finals, bowlers will be seeded according to how they finished the qualifying round. The 3rd & 4th seeded bowlers will receive a bye for the 1st round match, and the 2nd seeded bowler will receive an additional bye for the 2nd round match. The top seeded bowler will enter the bracket finals in the championship match. Handicap will be calculated based on the qualifying round average for the tournament. Please refer to the MBA By-Laws for a detailed explanation.

Each member must check-in **at least forty-five (45) minutes** prior to the start of each shift if paying the day of the tournament. Members that have prepaid their entry may still check-in 30 minutes prior to the start of their shift. Failure to comply may result in a \$5 fine. Failure to show for a tournament without cancelling your reservation will result in a \$20 fine. Please refer to the MBA By-Laws for a detailed explanation.

Masters Invitational is only open to bowlers who have won or finished 2nd in a previous MBA event.
