

Dear Members:

The 2026 MBA Masters Invitational was the next stop of the season at Chippewa Bowl in South Bend with 43 bowlers participating. This year, we have begun a 3-center rotation for the annual Masters tournament. Next year, the tournament will be held at Country Club Lanes in Elkhart.

The MBA would like to give special thanks to Travis Ruthruff of T's X-Factor Pro Shop for sponsoring the event and Lori Ruthruff of Crown Trophy for providing the spectacular trophy to the winner! This tournament was contested on the 2021 SYC Myrtle Beach Long, which is a Challenge Shot and a 45-foot pattern with an oil ratio of 4.17:1. This pattern started out extremely tough, but as the day wore on the scores increased significantly. Cory Hersha had the tournament high game of 289 in the qualifying round and it took a score of +107 to cash and +152 to make the top 8 match play finals. Mikey Schlabach ran through the match play finals to earn his 3rd Masters Title!!

The next regular tournament will be held at Parkway Lanes Mishawaka on January 25th, 2026 at 9:00 a.m. and as always, check-in by 8:15 and 8:30 if prepaid.

Re-Rates:

Jasmine Collins – F to G Class; 167 Average

Here are the Re-Rate rules taken from the By-Laws.

New members will be subject to upwards reclassification after their first tournament. Existing members will be subject to upwards reclassification after their first two tournaments. **After meeting the preceding requirement, any member whose season adjusted average (true bowling average plus 1 pin for each \$300 won (money pins)) exceeds the bottom of the next higher class plus three pins will be rerated to that higher class. If their season adjusted average exceeds the bottom plus 3 of the next two (2) higher classes, they may be re-rated 2 classes, subject to a meeting by the board of directors.**

- a. The above ruling on re-rating does not apply if you have not **cashed** any tournament, **since your last re-rate** during the current season.
- b. If you have bowled three (3) tournaments, **since your last re-rate during the current season**, have not cashed, and your **season adjusted average is below the bottom of the next lower class**, you **will be re-rated down one class**

Michiana Bowlers Association Newsletter

January 16, 2026

c. If you have bowled minimum of three (3) tournaments, **since your last re-rate during the current season**, have not cashed, you can request consideration for a re-rate down one class. This would need to be approved by the board. If granted, the bowler would be eligible for re-rate back up after one (1) event if their average warrants. This will be allowed once per season. The intent of this rule is to give a bowler some relief if they have not come close to cashing and aren't close to earning the automatic re-rate down.
