

Dear Members:

We had a very nice turnout this month, 98 bowlers. Thanks to Jay Johnston for sponsoring this event and to Ed Bildhauser and the City Lanes staff for hosting us. Total prize fund was \$5,000. Bryan Rudnicki almost made the run from 12th to first but lost to Nate Fisher in the championship match. Nate also had the tournament's high game with 300 and Jason Pease had an 805 series.

Just a quick note about check-in procedures: 1) 30 minutes before the start of the shift in you have already paid, 45 minutes if paying the day of the event; 2) Most lane assignments are done by Friday evening, if you are going to bowl please let us know by Friday, not that you can't enter on Saturday but it just makes things simpler; 3) Depending on walkins or late entries, if you haven't checked in on time we may have already given your lane assignment away; 4) if you are running late or haven't told us you are coming, please give me a call so we are aware of the situation; 5) this is a biggie, if you haven't called us to say you are running late, and you haven't prepaid... **entries are CLOSED at 9:15**. Due to time changes and time zones we were lenient this month but in the future please call, it helps us run a smoother tournament.
